# THE STORY

READ THE STORY. EXPERIENCE THE BIBLE.

## No Ordinary Man Part 1

Mark 4:1-20

**The main idea of Mark 4:1-20:**

**Jesus shared the Gospel in a way that could make people bear real spiritual fruit.**

The following questions can be used during a family worship time. Take time as a family this week to talk about the Story and what you are learning as you read. The hymns on the next pages are from our worship service. Sing them together as a family during your family worship time this week.

**Discussion questions:**

Why did Jesus speak in parables?

How does the hope of heaven help you understand God's work in your life today?

Jesus is the Master Teacher. What is one area of your life in which you feel God wants you to become a humble student and receive the teaching of Jesus?

**JESUS' BIRTH**

**JESUS IN TEMPLE**

**JESUS' BAPTISM**

If you would have heard Jesus' sermon, what do you think you would have done? Would you have followed Him?

**As a family:**

Some of the best lessons Christians learn come from godly older people who have simply taught us in the natural flow of life. This is exactly what God had in mind in Deut. 6:4-9 when He told the people to talk about His truth with their children at home, as they were taking walks, in the morning and in the evening. Consider taking a walk with a family member with the intention of learning from them. Perhaps you could find an older church member who could mentor you once a week.
