The following questions can be used during a family worship time. Take time as a family this week to talk about the Story and what you are learning as you read. The hymns on the next pages are from our worship service. Sing them together as a family during your family worship time this week.

Discussion questions:

Do you have a friend you can rely on when you have problems? What makes that person trustworthy? Can that friend rely on you too?

When difficult times come, what causes you to continue to hope in God?

Tell about a time you were honest with God about your pain and hurt. As you look back on that episode, what have you learned about God's presence and faithfulness?

What has Jesus given you that you could never truly pay back? How can we express gratitude for His amazing generosity?

As a family:

Be like Boaz. He showed compassion to a person in need. Think through the coming week and identify one or two acts of compassion and generosity you can extend to a person who is hurting, marginalized, and in need. Consider blessing them as a family together. What would be something that your family could do as a 'team effort' to bless that person?
